DEER VALLEY CREDIT UNION | APRIL 2018

HOME EQUITY LINES OF CREDIT

If you're a homeowner facing major or minor home improvements, a HELOC may be the solution.

What exactly is a HELOC? A home equity line of credit allows you to borrow against the value your home has built up (up to 80% of your home's value, less the balance remaining on your mortgage and adjusted based on your creditworthiness, plus your ability to pay). It's open-ended, so you can withdraw only the money you need as you need it within a specific time period. To learn more about a HELOC, please go to
